

## **PARK PLACE WEST SOCIAL DIRECTORY**

Dear Resident of Park Place West,

We are seeking your written permission to use your contact information to create a '**Social Directory**' of Park Place West residents/homeowners.

The Directory will be a means of contacting residents when social gatherings or events are being planned for our community or when important information needs to be shared.

The Directory will be for your **personal and confidential use** and will **only** be distributed to those who wish to be included by filling out, signing and returning the accompanying form. Ideally, we would prefer to have an email address as well as a phone number for residents, as we have found that a group email is the most efficient means of communication.

In the last few years there has been a significant turnover of homes in our community, and this new 'Social Directory' will be most helpful with getting to know our new neighbours. The last 'Park Place West Directory' was assembled in 2019 and much has changed since then.

Your response will be greatly appreciated.

Thank you!

The Park Place West Social Committee
